Does your Swimmer have any specific goals for the 2011 Summer Swim Season?

The Greater Richmond Aquatic League is an organization of approximately 12,000 individuals, composed of swimmers, coaches, and families, whose aim is to promote and participate in the sport of summer swimming. GRAL provides an opportunity for young people to compete against others of their own ability at various skill levels, in an atmosphere of fair play and good sportsmanship.

Good sportsmanship is of primary importance. Respectful behavior on the part of swimmers, coaches and parents should be displayed at all times and places. Team membership is both an honor and a responsibility and unsportsmanlike conduct will not be tolerated.

Each meet requires approximately 125 Volunteers. **At TVW, each Family is responsible for volunteering to work a minimum of four (4) meets.** The TVW Swim Team Committee will post the Volunteer schedule prior to the start of the Season. Once assigned a role, the Family is responsible for completing that obligation, or finding someone to complete that role for the Team. Failure to complete your assigned obligation may result in your swimmer(s) being excluded from future meets/Team Activities.
